Re: Recommendation letter

This letter is my personal recommendation for Antoine BAUDOIN. Until just recently, I have been Antoine's immediate manager from March to May 2012. I found him to be consistently pleasant, tackling all assignments with dedication.

Antoine BAUDOIN is a take-charge person who is able to present creative ideas and communicate the benefits. He has successfully developed several communication plans for our company that have resulted in increased visibility in our targeted market.

Though he was an asset to our marketing efforts, Antoine was also very helpful in other areas of the company such as supporting the staff alike or contributing in marketing strategy.

I highly recommend Antoine for employment. I have been especially impressed by his determination and sparkle. He is very ambitious and would make a great asset to any organization.

Kindest regards,

Ingrid Kwadzovi
