

To Whom It May Concern:

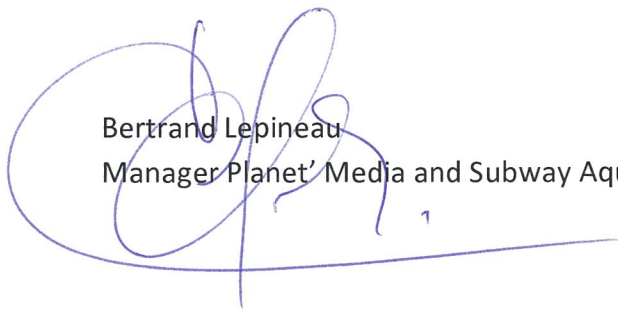

Antoine Baudoin worked for Planet' Media, previously MEGAGAMES in France as an salesperson and shop manager in the shop, from 10th October 2007 to 4st February 2012.

As the member of this shop, I have been very impressed with the quality of Antoine's work and his contribution to the team. He proved to be a very reliable person, able to work under pressure, not hesitating to work overtime and always doing the best he could to meet or exceed our expectations. Antoine was very motivated and eager to learn, always willing to take part in new projects and help the team or indeed other staff at MEGAGAMES (assisting, for example, the Marketing and Events team on a number of occasions). He is very conscientious, rigorous, organized, responsible and generally very professional, with a good business acumen. He understood and mastered our working processes and methodologies very quickly, and was always been very helpful in suggesting ideas to improve or look at things from a different perspective. He is a team player and has very good communication skills; equally he adapts very easily to a new environment and/or changing circumstances.

I think that Antoine will do particularly well in any position that involves dealing with clients, strong organizational skills, ability to work in autonomy or/and in a team environment, as well as a strong sense of initiative, his flexibility and his interpersonal skills. I have therefore no hesitation in recommending him to any future potential employer.

Should you require any further information, please do not hesitate to contact me.
