

WORK CERTIFICATE

I hereby certify that

Christophe Robin, Dipl. Ing. , MBA

Born on March 20th, 1969 origination from France, worked for Orange Communication SA (former France Telecom Group) from September 2011 to May 2013.

Mr. Robin joined the headquarters of Orange Communication SA (Switzerland) as an external senior Project Manager within the Program and Project Management team. During his 21-month mission he managed several projects using the company's project management methodology (ADOPT based on PMI) and tools (Clarity, Jama Contour & Mercury Quality Centre).

He managed six different projects for the BSS (Business Support System) team. These projects were mainly in the domains prepaid and lawful interception. His main responsibilities were the following:

- Responsible for the overall project budget management
- Regular status presentation to Orange Senior Management
- Risk and issue management
- Scope and change management
- Quality assurance and test management
- Manage project team member with different skills such as Technical Lead Analyst, Business Process Analyst, Senior Engineers, and experts from international suppliers
- Manage Service Level Agreements and changes to the incident management

Christophe did very successfully manage all his projects and was an asset to our organization. He has excellent written and verbal communication skills. He is very well organized, can work independently and is able to follow through to ensure that the job gets done.

He worked mainly in English and is a native French speaker. He always showed excellent soft skills allowing him to establish excellent relations with the business partners, project managers and management team.

For all these reasons, I strongly recommend him for any Senior Project Manager position within a Program Management Office (PMO) or an IT department.

If I can be of any further assistance, or provide you with any further information, please do not hesitate to contact me.

Yours Sincerely,

Andreas Eberhardt
