

WORK CERTIFICATE

I hereby certify that

Christophe Robin, Dipl. Ing. , MBA, PMP

Born on March 20th, 1969 origination from France, worked for Orange Communication SA (former France Telecom Group) from September 2010 to July 2011.

Mr. Robin joined the headquarters of Orange Communication SA (Switzerland) as an external stream leader within the IT Transformation Program. During his 11-month mission he contributed to the due diligence process using the company's project management methodology (ADOPT based on PMI) and tools (Clarity, Jama Contour & Aris).

He managed the Infrastructure and Operation stream. His main responsibilities were the following:

- Setting a baseline/directive for the integration of the "TO-BE" solution (target IT architecture definition)
- Performing the high level design (HLD) for the integration and infrastructure and producing the global "HLD" document per bidder
- Performing the bidder evaluation and setting the final choice regarding the stream scope
- Performing an transformation master plan regarding the stream scope
- Regular status presentation to Orange Senior Management (transformation director)
- Managing of risks and issues regarding the stream scope
- Managing of the scope and change regarding the stream scope
- Managing of the stream team members with different skills such as Technical Lead Analyst, Business Process Analyst, Senior Engineers, and experts from international suppliers

Christophe did very successfully manage this stream and was an asset to our organization. He has excellent written and verbal communication skills. He is very well organized, can work independently and is able to follow through to ensure that the job gets done.

He worked mainly in English and is a native French speaker. He always showed excellent soft skills allowing him to establish excellent relations with the business partners, stream leaders and management team.

For all these reasons, I strongly recommend him for any Senior Manager position within an IT department.

If I can be of any further assistance, or provide you with any further information, please do not hesitate to contact me.

Yours Sincerely,

Pascal Guilbert

N&IT controlling manager (former IT transformation manager)
