To Whom It May Concern:

Heloise, as part of her EVS year in Ireland worked in Volunteer Centres Ireland the national organisation with responsibility for promoting and developing volunteering in Ireland.

Heloise worked predominately on the campaign with the Information and Communications Officer for the National Day of Volunteering on the 26th of September. She oversaw the bebo and facebook pages and produced a blog, published on our website in English about her experience as a volunteer in Ireland.

Over the year, Heloise has shown herself to be very hard working and has made a valuable contribution to the work of Volunteer Centres Ireland. She has met the challenges of working through a different language and in a different cultural context with good humour and strength of character. She has been a pleasure to work with.

If you have any further queries please do not hesitate to contact me either by phone on + 353 1 799 4519 or by email at [eva@volunteer.ie](mailto:eva@volunteer.ie).

Yours Sincerely,

Eva Early.

Information and Communications Officer,
