To Whom It May Concern

Ms Johanna Bosser bearing ID Card no: 980129400879 was employed by San Lawrenz Kempinski Resort from the 30th May 2007 to date. She was contracted as an F&B Trainee, which position she held competently.

Throughout her employment, Ms Bosser proved herself to be an honest, flexible, obedient, capable and an efficient worker. Her behaviour was exemplary and her relationship with other employees and her superiors faultless.

Being of a strong character, a pleasant personality and willing to learn I have no hesitation in recommending Ms. Bosser to anyone who might require her services, and wish her luck in her future employment.

Regards,

Mr. Shaun Vella B.Psy
