SUZHOU XUANMIAO

To Whom it may concern

Suzhou, 14th of June 2010

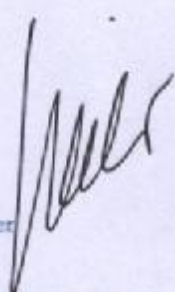

This is to certify that Ms Julie Mira is a steadfast and responsible person whom I had the pleasure to meet and getting to know during her studies of Chinese language in Hangzhou, China. I have been impressed by her switched-on and positive attitude at a time where we had the opportunity to discuss hotel industry matters related to revenue management and marketing; her capacity to understand the concepts and the discussions related to the China market realities was impressive.

Very well educated, customer and service oriented, passionate for the evolution of the world economics and more specifically Asia, Julie is without any doubts whatsoever somebody that deserves to succeed in her endeavors and she has demonstrated a sound capacity of adaptation as well as an overall strategic mindset.

I would not hesitate to recommend her to anyone who is looking to give her the chance to develop her skills and thus generate a future quality asset for any multinational company who will wish to recruit her.

In faith
