

Dear Sir or Madam,

It's a real pleasure for me to give you some confirmation about the possibility to catch a good and performant teammate in your team. Justine is just one of the kindest person I meet during my professional experience.

She is a good person and still with a positive attitude & good feeling. She is honest, persevering and every day she try to give the best for the team and for the firm.

It was a real pleasure to come each day and to find her with her sweetness, smartness and with a real pleasure to serve the guest.

She is good and a safe employee. There is no risk for you and your hotel to make a bad deal.

I stay to your disposal for any other information about her. You could join me by email sebgutierrez@hotmail.fr .

Sincerely yours,

Sébastien Gutierrez
