To whom it may concern

Miss Laura Verdon was appointed French Assistant at the City of London School for the Academic Year 2011-2012.

Miss Verdon integrated rapidly into the life of the school and became a reliable, loyal, conscientious and much-liked member of the Modern Languages Department and Common Room. She brought energy and inventiveness to her work with GCSE and A level classes, learning quickly to strike the right balance between a necessary firmness and an open, understanding approach. Her pupils made excellent progress over the year, drawing considerable benefit from her encouragement and positive feedback after mock oral examinations.

Miss Verdon's personal and professional qualities are such that I am sure she would be a great asset to any Modern Languages Department.
