Mr. Thomas Meyer – born in Strasbourg / France on November 28, 1969 – had been employed with Hansa Meyer Global Transport GmbH & Co. KG as Chief Representative in our office in Ho Chi Minh City / Vietnam from September 01, 2011 until April 30, 2012.

His main activities were to look after existing clients as well as canvassing of new clients, preparation of quotations, preparation of presentations and transport surveys / studies in Vietnam, technical and commercial handling of shipments / project shipments in co-operation with agents.

His activities required fast, independent and precise workmanship as well as organising skills and high personal efforts.

His behaviour towards superiors, colleagues, collaborators and customers was exemplary all the time.

To our regret Mr. Meyer and the shareholders have different conceptions about the strategic development of the representative office. Considering this we have mutually agreed to cancel the employment contract.

We thank Mr. Meyer for his committed collaboration and wish him all the best for the future.
